ecoline environment and sustainability

D&R Henderson is leading the way in sustainable particleboard manufacturing with the new EcoLine range.

EcoLine is made from 100% post-consumer recycled wood, processed and cleaned through our state of the art 'Cleaning Tower' in Benalla, Victoria.

D&R Henderson has maintained the stringent Japanese Industrial Standard (JIS) Certification since 2002.

We have continuously exported to Japan since 1990, and are certified to manufacture particleboard products to the toughest JIS standards.

D&R Henderson is the only manufacturer to offer ultra-low emission F4 star JIS certified particleboard panels using 100% post-consumer recycled timber in Australia.

ecoline green star benefits

Ecoline offers Green Star credit compliance for the following criteria

Indoor Environment Quality

- > Formaldehyde Minimisation
- > F4 Star under JIS

Materials

- > Sustainable post-consumer re-used timber
- > Timber from re-used source
