- D&R Henderson is leading the way in sustainable particleboard manufacturing with the new EcoLine range.
- EcoLine is made from 100% post-consumer recycled wood, processed and cleaned through our state of the art 'Cleaning Tower' in Benalla, Victoria.
- D&R Henderson is the only manufacturer to offer ultra-low emission F4 star JIS certified particleboard panels using 100% post-consumer recycled timber in Australia.

Ecoline offers Green Star credit compliance:

Indoor Environment Quality

- Formaldehyde Minimisation
- F4 Star under JIS

Materials

- Sustainable post-consumer re-used timber
- Timber from re-used source
